To Whom It May Concern:,

I am writing to you to ask that if you are given the opportunity, please help to stop the proposed XM and Sirius Satellite radio merger.

My recent experiences with XM Satellite Radio have proven to me that they have no regard for their consumer's interests. If the merger were to succeed, there would be no competition and I would have no alternative for Satellite Radio.

Thank you for your time.

A handwritten signature in black ink, appearing to read "Peter Carpenter".

Sincerely,

Peter Carpenter
